Dirty Up Your Cocktail

Sable & Rosenfeld launches their newest products, Topsy Dirty Martini Juice and Topsy Spicy Dirty Martini Juice, at The 40th Winter Fancy Food Show in San Francisco, Booth 3409.

Our customers have been asking us for years to create a distinctive dirty martini juice from our delicious olive brine and now we have. Our fine quality olives are the heart of these twice-filtered proprietary olive juices. Just a dash turns an ordinary martini into an extraordinary one.

Producing gourmet products since 1970 and winning awards and rave reviews ever since, Sable & Rosenfeld today enjoys high brand recognition in specialty food stores and supermarkets, gift and department stores in Canada, the U.S., Caribbean, Central and South America as well as Europe.
